Cycloid

Apr 2020 - Dec 2020

Worked remotely on refactoring DevOps platform to improve the user experience, implement processes and consult team on UX best practices.

Responsibilities:

- Designed site maps and user flows
- Designed wireframes, prototypes and UI handovers
- Researched the market and user
- Implemented best practices and other design methodologies

Freelance Designer

Fontaine Design LTD.

Dec 2019 - Mar 2020

As an independent design consultant, I developed diverse visual solutions spanning logos, posters, digital interfaces and marketing assets, primarily catering to emerging startups.

UX/UI Designer

Arrk Group

Jul 2018 - Nov 2019

Responsible for conveying consistent design work including but not limited to: UX/UI designs for app/web platforms for a digital solutions firm.

Responsibilities:

- Created digital and print collateral assets, ranging from posters, cards, social media content, video content and animation
- Designed wireframes, prototypes, copy and final UI and specifications
- Experience in research and testing with real customers
- Successfully devised and run design sprints for teams

Freelance Graphic Designer

tastecard

Jul 2017 - Sep 2017

Developed artwork for the Dining Club Group, an employer benefits company. Responsible for designing banners, emails, landing pages and powerpoint presentations for three companies: tastecard, Gourmet Society and hi-life.

UX Visual Designer

boohoo

Dec 2016 - May 2017

Developed wireframes, mockups, and other digital artwork for an online fashion retailer. Built prototypes to conduct Monetate testing for qualitative analysis to iterate and rapidly adjust designs based on feedback.

Responsibilities:

- Redesigned the website and app
- Created and standardised templates for IT to use as guidelines
- Documented all aspects of the redesign such as font sizes, padding and image size
- Created prototypes by using sketches, wireframes and InvisionApp

Head of Marketing Communications

Hewden

Jun 2016 - Aug 2016

Managed a three-person communications staff of two Graphic Designers and a Marketing Manager. Directed communications action plan for national marketing events of products and services. Designed and implemented communications strategies to increase company exposure. Executed and managed plans to integrate with overall marketing tactics.

Responsibilities:

- Managed Design Department ensuring strict brand identity adherence and consistency throughout all projects
- Conceived and implemented non-existent project planning tracking system to streamline departmental projects
- Overseen the efficient use and tracked departmental budget in excess of £300k

Senior Web Graphic Designer

Betfred

Oct 2012 - Jun 2016

Developed concepts and artwork for online betting company, created graphic design solutions from the ground up. Responsible for developing and creating both digital and hardcopy designs for a wide range of product campaigns, advertising and devices. Strong team player with excellent leadership traits and meticulous attention to detail.

Responsibilities:

- Acting Head of Design Department for four months due to unexpected position vacancy
- As Senior Graphic Designer mentored and lead a team of four designers
- Managed, produced and designed projects from cradle to grave
